The Sabbath and Holy Days were never part of Moses' law of rituals, washings and offerings. The Sabbath began at creation and the Holy Days were given well before God commanded burnt offerings and sacrifices (Jer. 7:22-23). The laws of Moses were added because people would not keep the already-established laws of God. This is the critical ...

God's Holy Days or Pagan Holidays?
The diversity of religions around the world creates challenges for health care providers and systems to provide culturally competent medical care. Cultural competence is the ability of health providers and organizations to deliver health care services that meet the cultural, social, and religious needs of patients and their families. Culturally competent care can improve patient quality and ...
