'America's War for the Greater Middle East,' by Andrew J ...

America's War for the Greater Middle East is a valuable book flawed by trying to cram too much into a single thesis, by focusing too much on the United States and its military, by omitting discussion of available alternatives, by dismissing America's need to lead in the world without discussing whether the world would be better off without such leadership, and by relying too much on a scathing ...

America's War for the Greater Middle East: A Military ...

From the outset, America's War for the Greater Middle East was a war to preserve the American way of life, rooted in a specific understanding of freedom and requiring an abundance of cheap energy. In that sense, just as the American Revolution was about independence and the Civil War was about slavery, oil has always defined the raison d' tre of the War for the Greater Middle East.
