Ford Ranger Tdci Engine Timing Mark

For the Ranger T6, all cars with the Duratec and Duratorq engines have a timing chain. The T6 is sold all over the world including, Thailand, South Africa, Argentina, Nigeria etc, but isn't sold in North America, likely due to declining sales of pickup trucks in general. Ford Ranger

Ford Ranger Timing Belt Or Chain? (1993 - 2012) | Auto ...

Timing. It is recommended that you replace the 2.5 Ford Ranger timing belt at 60,000-mile intervals. This is based on the service history on this particular engine. It has been identified as a free-wheeling engine, which means that it is highly unlikely that any type of damage to the engine would occur in the event that the timing belt would fail or come off during the operation of the vehicle.
