415 reviews of Ark Encounter "This is a review on the Ark, with no added bias either way ie some are fans of the guy that was 600 years old when he sailed and others are fans of the science nerd who is Shelton's hero. I am neither - i came to see the "big boat in Kentucky". With that aside I was impressed with the Ark, how it was designed, how the story was told using great handicraft, visual ...

Emmett Louis Till (July 25, 1941 – August 28, 1955) was a 14-year-old African American who was lynched in Mississippi in 1955, after being accused of offending a white woman in her family's grocery store. The brutality of his murder and the fact that his killers were acquitted drew attention to the long history of violent persecution of African Americans in the United States.

Consciousness, at its simplest, is sentience or awareness of internal and external existence. Despite millennia of analyses, definitions, explanations and debates by philosophers and scientists, consciousness remains puzzling and controversial, being "at once the most familiar and [also the] most mysterious aspect of our lives". Perhaps the only widely agreed notion about the topic is the ...
