This book is for those who dream of a better world for themselves and for future generations. I wrote Land as a gift. Published by the wonderful people at North Atlantic Books.

Land: A New Paradigm for a Thriving World, by Martin Adams

Land: A New Paradigm for a Thriving World is a book about a scientific economic solution rooted in a recognition of humanity's interconnectedness; it offers a template that, if applied, could solve many of today's social and economic issues at a root level. Writing this book has been a labor of love: I invested nearly four years of my life into this relatively small but well-researched work.

Martin Adams' Land: A New Paradigm for a Thriving World A Poem by David Penner How can it be, when there's plenty on earth, for everyone to live happily, in harmony, and mirth, That so many have to struggle to simply pay rent To those with so much, it couldn't possibly be spent? Economic wealth is built, by nature, work, and tools.
