The 1HD-T and 1HD-FT are no longer in production, the 1HD-FTE is still in production for marine applications (yanmar I know of, probably a few others). Oh, and the little old 1HZ is still in production in land cruisers Although I heard that this may be the last year, with the good results so far on the V8 D4D.

1HD-T vs 1HD-FT | IH8MUD Forum

The bores do not slide out on this engine unlike the incorrect photograph of the parts for the 1hd-ft engine kit on ebay. If you read the list of parts only the pistons are mentioned. Not many places do rebore and considerable extra work is required after the rebores to access all the oil ways to clean them out.
