The Battle of Loos took place from 25 September to 8 October 1915 in France on the Western Front, during the First World War. It was the biggest British attack of 1915, the first time that the British used poison gas and the first mass engagement of New Army units. The French and British tried to break through the German defences in Artois and Champagne and restore a war of movement.

The Force Awakens was the Star Wars movie I had been waiting for since the end of Return of the Jedi and had pursued hungrily the next step in the story through an expanded universe now declared defunct. It was the movie that I kept hoping to see every time I sat down in the theater for the Prequel Trilogy films.

A title is a descriptive heading that appears over a character's head beside their name, obtained by meeting certain requirements. Each title has its unique effects, and can change a character's stats for better or for worse. Certain titles may also affect a skill's aesthetic properties or an NPC's dialogue. They are distinct from the purely cosmetic
